## AND THE NOMINEES ARE.....

**The title** of this article is something one hears when they watch the Academy Awards, and soon afterwards, the winner comes forward to receive their award. Let me be the first to share with you that nominations are open for St. John's Vestry, and the slate isn't picked by any Academy, but by St. John's members.

ward to receive their award. Let me be the first to share with you that nominations are open for St. John's Vestry, and the slate isn't picked by any Academy, but by St. John's members.

## St. John's To Celebrate Jubilee Year!

**The year 2020 marks the semi-centennial anniversary** of the founding of Naples' St John's Episcopal Church. Many feel when we reach 50 years old, we are at the peak of our powers and skills. St Johns shows that it has reached a peak in worship and service to its community with yet a great deal more to come!

This Jubilee Year remembering "The Golden Years" just past has been in planning for several months with major events planned quarterly and other observances scattered throughout 2020. Details will appear in ParishLife so you can plan your participation and not miss a one.

What is the focus event will occur **Sunday, March 22** and you need to plan for it right away. It will be a fine catered Golden Anniversary Celebratory Luncheon following a Special 10AM Thanksgiving Worship Service and Remembrance presided over by Bishop Dabney Smith. Attending will be representatives of individuals, groups and organizations who assisted and participated in the founding of St Johns.

*This free event* in Sugden Hall following the service will be such an attraction for parishioners, seasonal "regulars" and visitors that reservations are being accepted starting now! **You can sign** up via e-mail to [ParishSecretary@stjohnsnaples.com](mailto:ParishSecretary@stjohnsnaples.com); by phone at 239/261-2355; or beginning in October on the Parish's famous clipboards. Be sure to give your name and how many immediate family you are bringing, including children. Doing it now or at latest by the Parish Annual meeting, you needn't worry that there will be room for you. Plans include an overflow tent as needed. Distribution of a Golden Anniversary historical book will be made.

During 2020 a time capsule will be prepared for the future Centennial celebration and a previous capsule will be retrieved and opened. The Fall will see an "Old Timers" gathering. Start gearing up as the Jubilee Year is not far away! And make your reservation for March 22<sup>nd</sup> today!

Time, Talent, Treasure

# All Aboard!

**Hopefully by now** you should have received your Stewardship packet that was mailed to you. If you have not received it, please call the Parish Office at 239.261.2355 and one will be sent to you.

In the packet was my letter, your pledge card and a return envelope. My letter described St. John's church as a train full of "Time, Talent and Treasure"! Our St. John's train is a remarkable train that moves down the track of life, stopping along the way "Sharing, Giving and Caring". I outlined all the great things St. John's does in helping others. But first, we have to make sure our St. John's train has enough fuel on board to carry it on our journey. That's where you and I come in.

In the packet was a pledge card giving you the opportunity to complete the financial part of our pledge together with the "Stewardship of Time and Talent" section. A pledge has been defined as a solemn promise, a thing that is given as a "token of love, faith or loyalty". A pledge to St. John's is just that...a token of love! As I mentioned in my letter, we need the pledge cards **returned by December 1** so that our finance committee can put together a budget for next year making sure that our train is fueled up and ready to go down the track of life making great stops along the way helping people. Even though we promise and pledge, it is also understood that circumstances can change during the year, and you always have the opportunity to decrease or increase your pledge at any time.

If you have not yet made your pledge, why not start now by praying and asking God for guidance - no gift or pledge is too small. Any and all amounts helps our St. John's train go! Our train can only go as far as we, the members, contribute.

So please, get on board our train and enjoy the ride! Because of your pledge, we will be able to do so many good things, both here at St. John's as well as in our community. **"ALL ABOARD!"**

Stewardship Campaign Chairman

## Healing Prayer is now available through Christian Healing Center at St. John's

St. John's has graciously opened the Prayer Room for appointments for people seeking healing prayer through Christian Healing Center of Naples (CHC). CHC prayer ministers are activated through Holy Spirit with "gifts of healing" to pray with people (See 1 Corinthians 12). Training for prayer ministers is continuous in the sources available through International Order of St. Luke the Physician and other organizations such as Christian Healing Ministries (Francis and Judith MacNutt). St. John's provides a safe place for people wanting healing prayer. CHC comes under the authority of Fr. Joe (also a member of the CHC Board of Directors) whenever meeting with people at St. John's. **You can make an appointment for yourself, family member, or friend by calling 239 315 4630.** CHC offers appointments at St. John's Monday and Friday between 10am and 4pm and other times as the prayer room and prayer ministers are available. House calls and prayers by telephone are also available. There is no charge.

*Christian Healing Center of Naples, Inc. is a 501 c3 Not-for-Profit service offering healing prayer and a safe place for people to gather to meet Jesus. Free will gifts are accepted.*

## SPirit ALIVE'S PLANNING FOR 2020

### WE ARE GATHERING IDEAS FOR OUR ANNUAL SAINT JOHN'S SPIRIT ALIVE FIELD TRIP.

Spirit ALIVE members are always looking for ideas of places to go for our annual trip together.

Last year we enjoyed a trip to Everglades City. Previous years we have gone to: Collier County Museum, Naples Holocaust Museum, Naples Zoo, Naples Botanical Gardens, Conservancy of SW Florida, Naples First Cottage, and Revs Car Museum.

If you know of a different place for Spirit Alive to consider for our St. John's members and friends to visit this January or February, please email me ([katyesterline@gmail.com](mailto:katyesterline@gmail.com)) or call Ann at the church office.

**HAVE YOU READ A GREAT BOOK THIS YEAR?** Spirit Alive is asking for the names of good books you have read and think our parishioners would enjoy reading and sharing at a two hour gathering in 2020. If you would like to suggest a book, please let Katy Esterline (517-206-4641 or [katyesterline@gmail.com](mailto:katyesterline@gmail.com)) or our secretary, Ann Witmer, know ((239) 261-2355 extension 4).

### CARING CARD MINISTRY REQUEST

We could certainly use your help. We're asking members to let us know of any parishioners who could benefit from knowing we are thinking and praying for them. It could be for health, healing, sympathy, baptism, wedding, or simply thinking of you. Word of mouth is a key vehicle to learn of others needs to let them know we are thinking of them. We appreciate your sharing with us this year.

Additionally, if you enjoy writing cards, we would like to talk with you as to how our Card Ministry works so you can consider taking the basket. Feel free to let Katy Esterline know at 517-206-4641 or [katyesterline@gmail.com](mailto:katyesterline@gmail.com) or let our secretary, Ann Witmer, know in the office (239) 261-2355 and we will get in touch with you.

Fall will shortly be upon us and Spirit Alive will be revving up the Spirit Alive engines to plan another educational and fun filled season. We thank you for your ideas and participation in our events.

Katy Esterline

# Restoration Project 2019

In preparation for St. John's 50<sup>th</sup> Anniversary, we hired AGG Restoration Specialists to beautify and restore the chapel bells and the Columbarium Angel. Pictures just do not justify the beauty in this artwork. One must really get a close view of the angel. We are blessed to have this piece of artwork overlooking our Columbarium.

## St. John's Thrift Shoppe Helped the People in The Bahamas

*When you woke up this morning did you look around and count your blessings??*

*You still have your home; you can look outside and see green grass on your lawn. You still have all of your personal belongings, your family, your pets and friends. You start your day with your first cup of coffee and breakfast. You plan your day. It could be going to work, spending time with family and friends, going shopping or possible getting ready to play a round of golf. You could be volunteering at the St. John's Thrift Shoppe or getting ready to go to St. John's Episcopal Church service. After reading the above take a moment to count your blessings, I do every day. I thank the Lord for my blessings.*

*One of our cashiers at St. John's Thrift Shoppe counted his blessings and took on the task to help the people in the Bahamas. The board would like to thank [Joe Locricchio and his wife Trudy](#) for taking on the task of putting together eight large bags of clothing and taking them to the drop-off area to be delivered to the people in the Bahamas.*

*When we receive clothing at the shoppe, all items are inspected to ensure that they are suitable to be placed on the floor for sale. Items that are damaged or if clothing has stains need repair are placed in a bin to be picked up by a company that delivers to very needy people in other areas.*

*[Joe and Trudy](#) took it upon themselves to inspect the discarded clothing in the bin along with items that do not sell at the shoppe and when finished had eight large bags. They did this on behalf of the shoppe. [Joe and Trudy counted their blessings and realized that those people do not wake up to a home, family, friends, pets, food, clothing and essential things needed for day to day living any longer.](#)*

*Thank you, Joe and Trudy.*

*Bless you*

## VOLUNTEERS NEEDED FOR GOOD NEWS CLUB

**St. John's sponsors** one of twenty Good News Clubs in Collier County's public elementary schools.

Our school is the Gulf Coast Charter Elementary, located at Airport Pulling and Radio Roads. This will be our fourth year and we're very excited to again bring the Good News of Jesus Christ to some 40-50 students in grades K-5, many of whom are unchurched and some have never heard the name of Jesus.

Our club meets on Thursday afternoons starting January 16 and runs for 12 weeks. Our returning team of volunteers includes: Jamie Bentley, Donna Beecher, Debbie Wikander, Peki Wilson, Cynthia Shoemaker and Sarah Willig. We need a few more volunteers!

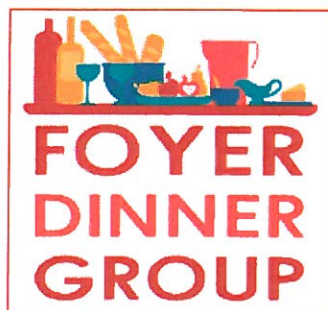

Please consider joining us, even if you cannot commit to all 12 weeks. We meet at the school at 2:30 to prepare and pray. Club starts at 3:15 and ends at 4:35. We sing songs, tell a Bible story, teach a memory verse, play games and have a lot of fun. The children enjoy spending time with us and we with them. Parents are especially appreciative of this no-cost, Christian after school activity.

Good News Clubs are an outreach of Child Evangelism Fellowship (CEF), an international ministry established in 1937. CEF provides first-rate training, materials and support. They also assist our volunteers with the required background checks and security badges.

If you would like more information about our club, please contact Jamie [239.595.9433 or [flabents04@comcast.net](mailto:flabents04@comcast.net)] or Donna [239.263.8309 or [dbeecheer813@gmail.com](mailto:dbeecheer813@gmail.com)]. ## FOYER DINNER Signups Coming Soon!

It is time to start thinking about joining Foyers for 2020!

In early November, the sign up lists will be available and we hope that you will consider becoming part of a St John's small dinner group. Getting to know other church members, great food, interesting conversations and fun are what it's all about! If you are willing to be a Group Leader this year, please let John or me know. More about all of this in November!

## RICHLY BLESSED TO RICHLY BLESS

*"Charge them that are rich in this world, that they be not high minded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy; That they do good, that they be rich in good works, ready to distribute, willing to communicate."*

1 Timothy 6:17-18 (KJV)

**Growing up as a child,** my family had so very little.

I had just one pair of shoes. They were plastic and every time the back would break, my grandmother would sew it back up.

Even though we didn't have much, I was happy.

When you're poor as a child, you don't know what poor is. You know you have a roof over your head, you have clothes, and you have love. That was the most important thing.

My grandmother would always hug me and tell me stories. She did her best to see that we always had something to eat. At times, it was minimal. Sometimes, we didn't have anything at all.

At the end of every day, Grandmother would go to the market and beg for the bits and pieces that had not sold. She'd bring home whatever of the day's leavings she could get and make a meal out of it.

At home with Grandmother, I felt safe, but I still remember what it's like to go to school or out in the community and have people look at you as if you don't belong because you don't have what others have. I grew up with that but, because I knew I was loved, a lot of times what others thought did not matter to me.

Although I am no longer poor, I know what it's like to be without, and that's a gift from God with a divine purpose. Remembering that, I want to help others.

In deep humility and with great gratitude, I give thanks for all that God has given my husband and me through the years. We have been richly blessed so that we are able to richly bless others, all for the glory of God.

# Lessons in Reconciliation

**This summer** a small group of us looked closely at the stories of Joseph and his family; their oft-broken relationships and their reconciliations. I thought you might be interested in some of our takeaways, grouped by some of the root causes of conflicts.

## FEAR:

Abraham, fearing for his life, lied twice that Sarah was not his wife -- but his sister. God stepped in both times protecting Pharaoh and then King Abimelech from committing adultery. **Reconciliation involved God's intervention, candid confrontation, non-aggression pacts, and geographic separation.**

Jacob facing Esau's death threats over his theft of the Abrahamic blessing, fled him to his uncle Laban. Years later, in route back home, Jacob sent messengers ahead to Esau hoping for a friendly reception. But learning that Esau was coming with an army of 400 men to meet him, Jacob, in terror, prayed earnestly for God's protection, sent generous gifts, bowed low, and introduced his wives and children. The brothers parted on good terms and later came together to bury Isaac. **Reconciliation involved taking the initiative, reaching out, praying earnestly, giving generously, embracing Esau into the family.**

Returning to Egypt following Jacob's funeral, Joseph's half-brothers were terrified that he would exact vengeance on them for having sold him into slavery. But Joseph reassured them that they had nothing to fear, that God had used that tragic event to save Israel from starvation, and that he would take care of them. **Reconciliation involved loving forgiveness, reassurances and promises of provision.**

## IMPATIENCE:

Abraham and Sarah, impatient for the promised son and heir, arranged for Hagar to give birth to Ishmael which led to a family break-up. **Reconciliation involved God directly reassuring Abraham, providing for Hagar and promising her that her son would also have nations of descendants.**

Rebekah impatient for her favorite son to receive the promised blessing, tricked Isaac into blessing Jacob instead of his older twin Esau. **Reconciliation involved God wrestling with Jacob and blessing him as worthy of the name Israel and sending him on his way home to Isaac.**

## BROKEN PROMISES:

Laban's substitution of Leah for Rachel whom he had promised to Jacob in return for 7 years of labor undermined trust between uncle and son-in-law. **Reconciliation began when Laban consented to Jacob marrying Rachel too, provided he worked 7 more years. Later Laban agreed to Jacob's plan for differentiating their respectful flocks. When Jacob packed up his family and flocks and left Laban without saying goodbye, Laban tracked them down and berated Jacob for making off with his daughters and grandchildren. Reconciliation occurred when Jacob laid out an honest account of all the ways Laban had mistreated him over the years, invited Laban to share a meal. Laban professed his love for Jacob's family and blessed them all before returning home.**

Jacob was furious with Simeon and Levi for slaughtering the men of Shechem after they had submitted to circumcision in expectation of intermarriage and shared wealth. **Reconciliation followed Jacob's harsh dressing down for bringing humiliating dishonor on the family. Despite their lack of remorse, Jacob never disowned them. With God's protection Jacob moved the entire family away from Shechem to Bethel where Isaac was waiting.**

## JEALOUSY:

Rachel and Leah were locked in a competition for Jacob's love, which played out in a race to provide Jacob with sons, directly or indirectly through concubines. God granted Leah 6 sons to compensate for Jacob's true love for Rachel. **Reconciliation between the sisters became possible after God assuaged Rachel's longing by giving her 2 sons: Joseph and Benjamin.**

Joseph's half-brothers were very jealous of Joseph because he was Jacob's favorite, he reported their misdeeds to Jacob, and he shared his dreams that were interpreted as foretelling his ruling over them. They sold Joseph to traders and lied to Jacob that Joseph had been devoured by a wild animal. **Reconciliation began as God was with Joseph throughout his meteoric career rise in Egypt -- giving him the power to interpret dreams and bringing his brothers to Egypt to buy food. After testing the brothers' sincerity and remorse, Joseph forgave them, wept over them, gave them generous gifts—including the land of Goshen for relocation—and blessed them.**

**RECONCILIATION IS ALWAYS POSSIBLE WITH GOD, CANDOR, FORGIVENESS, GENEROSITY AND BLESSINGS.**
